# FUNDHUB TOOLS TO MAXIMIZE YOUR FUNDRAISING

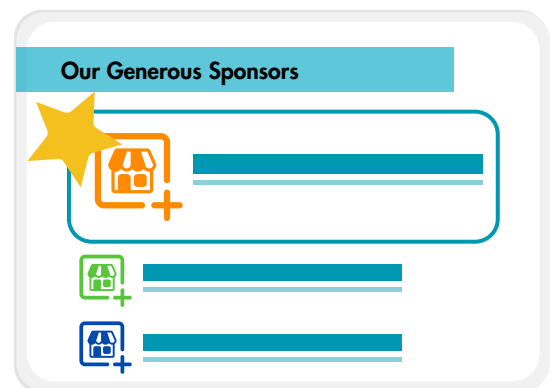

## **Employer Match:**

With FundHub's Employer Match feature, you can double donations effortlessly. Encourage parents and community members to see if their employers offer matching gift programs—many do! It's a simple way to turn one gift into two and make every dollar go even further for your school.

## **Local Sponsors:**

FundHub makes it easy to attract and manage local sponsors with built-in tools designed to showcase their support. For top-tier contributors, you can offer a Premium Sponsor level: featuring their logo and website link prominently at the top of your school's sponsor section, with double the space of standard listings! It's a great way to recognize your most generous supporters while encouraging more businesses to get involved.

## **Community Webpage:**

FundHub's Community Share Webpage mirrors your school's fundraising page and includes a direct Donate button, making it perfect for supporters outside the student network. Let's say your school is connected to a church. Now, parishioners can donate directly without needing a student link! It's a great way to involve the broader community.
